

**Ankur Lal**  
**Chief Executive Officer,**  
**Infozech Software**

Ankur Lal has over 20 years of experience in the IT and telecom industry. He specializes in conceptualizing and bringing to market game-changing solutions that lead to business transformation. He is passionate about energy management and Green initiatives and has kickstarted several initiatives at Infozech to address these areas.

Ankur's commitment to telecom and energy issues is evident from his eagerness to pursue a diverse range of projects and step into new markets and technologies. He is an active industry evangelist for emerging companies at NASSCOM.

He is a frequent speaker at global conferences on cost optimization and revenue management issues. He is also a prolific contributor to leading Indian and overseas business publications.

He is an active member of Toastmasters; public speaking club. He has founded and mentors several clubs that nurture and develop talent for public speaking for young minds. He helps young adults to nurture entrepreneurial skills.

Ankur holds a BS Degree from IIT, Delhi.
