**Retail and F&B Expert, Software Architect, System Analyst, Speaker**  
**CEO & Founder RanceLab®**

Certified CCNA, CCDA, CNE with over 15 years of experience in various IT and IT related products, services and solutions. Has played vital role in delivering IT solutions that brought guaranteed growth in sales and profit of over 500 Retail Stores, Restaurants and Food Courts.

RanceLab® ([www.rancelab.com](http://www.rancelab.com)) is the one stop destination to shop for Retail Software and POS hardware products especially meant for the retail and f&b industry. Entering the business in the year 1996 and based in Kolkata, we have always served the Retail and Hospitality industry with our specialised services.

RanceLab® FusionRetail™ 6 adds the feather in the cap, being our most successful venture in software products. It has given a new dimension to the retail business and has effectively helped retailers to manage all aspects of their business efficiently.
