

**Nitin Gupta**  
**Founder,**  
**OnGraph Technologies**

"Nitin is a serial entrepreneur, who bootstrapped OnGraph Technologies in 2008 and turned into a multi-million dollar turnover company in 4 years with 3 development facilities across India and UK. His second venture was CoinJoos.com, an innovative internet based new and used books retail business started in early 2010, which started serving customers all across the country within an year. In 2011, Nitin exited the venture and sold the company to HomeShop18.com, a part of media conglomerate Network18 group, in an all-cash deal.

Nitin is Founder and CEO at AirGol.com, his next venture, an innovative real time live video broadcasting platform on Android and iOS. He is one of the promoters in JobJoos.com, next generation SaaS based recruiting platform. He is also an active angel investor in various technology and services start-ups in enterprise/mobile/internet space.

A Computer Science graduate from IIT Roorkee, Nitin started his career with Trilogy Inc. in 2000 in Austin, USA and was one of the founding team members which started Trilogy India offshore development center in Bangalore and grew it by manifolds."
