

Rohith Bhat
Managing Director & CEO, Robosoft

Rohith is the founder of Robosoft, a company focused on product development, mobile applications and gaming. Robosoft has grown from a startup operation to a medium-sized company.

Rohith had earlier worked at Recosoft Corporation in Japan and Larsen & Toubro in Bombay. Working at these companies exposed him to the latest technologies and internationalization issues on the Mac OS platform and helped him start Robosoft. Robosoft began as a 'Mac OS only' development company but later started working on products for the Windows and Web platforms. Rohith has successfully negotiated for projects from clients like Apple, Intel, Phillips, UMAX and Hewlett-Packard.

He holds a Bachelor's degree in Computer Engineering from Mangalore University.
