

**SUMEET KAPUR
FOUNDER AND CEO,
GLOBAL GROUPWARE SOLUTIONS LIMITED**

Sumeet is a serial entrepreneur with over 26 years of experience in starting, growing and managing technology ventures.

Through these years, he has led the building software products that help companies better manage their employee, customer and partner relationships.

He is one of the earliest adopters and advocates in India for cloud computing. He passionately believes that cloud computing will enable millions of small and medium businesses, especially those in India and the APAC region.

Sumeet has been at the forefront of the cloud wave in the country and has played a role in sensitizing organisations on the value of SaaS initiatives and helping them automate business processes such as employee and customer relationship management.

Under the leadership of Sumeet Kapur, Global Groupware Solutions Limited launched India's first cloud based CRM application, Smiles™ CRM, and the first pure SaaS HR software: EmployWise™, winning the company IBM's coveted Beacon Award in 2008 for Software as a Service (SaaS) Innovation. Today, Global Groupware is a leading cloud based provider for HR and Customer Relationship Management.

Sumeet graduated from the University of Delhi and earned his MBA from XLRI Jamshedpur.
